

Mordiford CE Primary School

British Values Statement

“You shall love your neighbour as yourself” (Matthew 22: 39)

As our school motto states, “Treasuring each individual”, is central to life at Mordiford CE School, with Christian behaviour at the heart of what we do. Our school is a place where we learn to love God, one another and ourselves. This is experienced through Collective Worship, Family Values, Religious Education, Global Education, PSHE and Citizenship and the application of Christian values to all relationships within and beyond the school.

We aim to be a Christian family where all are appreciated and respected. We endeavour to inspire children to create a better world through thoughtful respect and tolerance. Children are engaged in a rich curriculum promoting learning which helps them to be respectful towards others and aware of their own feelings, emotions and beliefs.

Children are helped to understand the role of British Values in society including democracy, the rules of law, individual liberty and respect for and tolerance of those with different faiths and abilities. The curriculum provides many opportunities for children to be aware of key events in our history and the values of Britain. We develop children’s knowledge, understanding and awareness of Christianity as the predominant religion in Great Britain and of the other principal religions represented in this country.

Our aim is to prepare our children fully for life in modern Britain and the wider world, leaving our school with the strongest foundation of values on which to build a successful life and make a positive contribution to society.
