

12th May 2017

Design and Technology Fortnight

Dear Parents,

Between the 5th – 16th June the school will be holding a DT curriculum fortnight. During these two weeks the children will be taking part in a range of fun activities including a Lego workshop and designing and making sessions. From their designs they will be making models which they will be able to take home at the end of the fortnight.

In order to help cover some of the cost towards materials and workshops throughout the two weeks we are asking for a contribution of £2 per child please. This payment can be made via your ParentPay account.

On the Friday mornings during the fortnight, Year 5 and Year 6 will be going to Bishops to work in the Design Technology rooms with the staff there. Year 5 will go on Friday 9th and Year 6 on the 16th. We will need parents to take and collect on these days please and so a separate letter will come out nearer the time.

There will also be a parent/child 'At home' DT competition. Details to come later...

Finally, on Friday 16th June 1.30pm – 2.45pm there will be an Open Afternoon where parents and friends are welcome to come and see what the children have been doing during the fortnight.

If there are any parents who have contacts or experience in Designing and Making and would like to contribute to our DT fortnight then please come and speak to myself regarding this. Thank you.

Yours sincerely

Mrs Broadbridge
