

19th June 2015

Busy Times in Lugg Class

Lugg Class have been having a very busy few days. Last Friday they travelled by train to Birmingham to visit the Think-tank Museum. The children thoroughly enjoyed the train journey and walking along the city streets. Once at the museum they were thrilled to explore the hands on activities and games. Everyone took part in a Lego workshop to discover more about the forces of pushes and pulls. The children had a wonderful day and were, as always, impeccably behaved. Thank you to all the parents who helped to make the day such as success.

Our Collective Worship on Wednesday was led by a very confident Lugg Class who told us all about the Islamic fast of Ramadan and the following celebration Eid al Fitr. The children spoke beautifully and had been very thoughtful and curious in their class discussions preparing for the service. After the worship the children cooked the food that they had considered giving up and ate some cakes together, to think about how Muslims celebrate the breaking of the fast. They had also made some beautiful Eid cards. Well done Lugg Class you have been working very hard and are excellent role models for our school values.

'Grease'

Frome and Pentaloe spent half a day at Whitecross High School on Tuesday, watching the students perform 'Grease'. We would like to congratulate all actors, musicians and crew on their fantastic show, and thank them for an enjoyable afternoon.

Our Value of the month is Consideration

“The only true source of politeness is consideration.”

-William Gilmore Simms

Well done

Miss Finney's Star of the Week:
Fred Kearns.

Last week names in the Golden Book were:

Monnow: Will, Caitlin, Evie & Amelia.

Arrow: Kitty, Isabelle, Sandy, Sammy, Iestyn & Alistair.

Wye: Maisey, Taylor, Erin, Theo, Ollie, Georgina & Mia.

Teme: Fred, Owen & all of Teme Class.

Frome: Phoeby, Joe & all of Frome Class.

Well done to all our winners!

Weekly reminders/ messages

- **Next Wednesday (24th June) will be the last week of Dance Club as our student Miss Gorton finishes her placement.**
- **Also due to Mr Harper's placement finishing, the last Kick Rounder's session will be on Monday 29th June.**
- Thank you to the PTFA for all the hard work and preparation that was put into 'Mordifest'. It was a fantastic event, with great fun had by all. Approx. £1800 has been raised.
- Please remember to carefully read, and respond to, the letter about head lice that came home yesterday. It is really important that we all work together to try and solve this problem as it is very unpleasant for children to repeatedly catch head lice.
- Please can you refrain from taking dogs onto the school field.

Big Lottery Funding

We are delighted to announce that we have been awarded a conditional offer from the Big Lottery fund for a project which will equip the school hall with a sound system, lighting, a projector and staging. This exciting opportunity will mean that Collective Worship, teaching and school productions in the hall will be greatly enhanced. Also it allows the school hall to be available for use by the wider community. We will let you know more details once the project is underway. Thank you to the PTFA for supporting the school through the application process and in particular to Mr and Mrs Rowlett for providing expertise, advice and for coordinating the bid and to Mrs Wells for her support and advice.

Road Safety

The Parish Council met on Monday and there was an open discussion about the traffic issues experienced in the village. Councillor Rone, Cabinet Member for Highways, was present as was local Councillor Hardwick. Councillor Rone gave indication that, through the Parish Council, a Traffic Regulation Order will be applied for. This will take time but eventually will lead to measures that will make the village safer for all. In the mean time, and in the absence of a Road Crossing Patrol Officer, it is important that when crossing the road we do so with caution and we do all we can to ensure that when parking outside school we are considerate of children's safety and other road users. Please also avoid dropping children off in the school gateway as they then have to walk along the road to reach the footpath, which is not a safe route when unaccompanied. Thank you for your cooperation.

Frome Plant Sale

Frome class have been working hard on their garden project with the expert help of Mrs Parrett, and will be having their first plant sale on Wednesday at 2.45pm.

Plants, vegetables and herbs will be available. First come, first served!

Dates for your diary...

Summer Term 2015

Please note new dates in bold

Week Beginning 22nd June: New Reception children visit Monday, Tuesday and Wednesday am.

All children spend time in their September year groups.
