

The Mordiford Mail

28th April 2017

Enjoy the Bank Holiday Weekend !

HAPPY BIRTHDAY MORDIFORD CE PRIMARY SCHOOL

Our lovely school began serving the local community 143 years ago today, on the 28th April 1874. We are pleased that the school is still thriving on the same site all these years on and extremely proud and excited to be involved in taking the school forward into the future.

Our Value of the month is Forgiveness

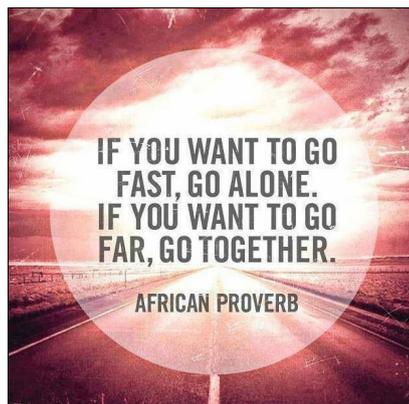

"To forgive is the highest, most beautiful form of love. In return, you will receive untold peace and happiness."

- Robert Muller

Spring Term House Point Winners

Congratulations to Haugh House for your outstanding efforts throughout Spring which resulted in you being named as our House Point champions for the term. Your treat is to have your very own wear what you like day (with a twist). Next Friday, the 5th May, Haugh members are invited to wear normal school polo tops and sweatshirts, but on the bottom half anything goes, you can also accessorise with a hat if you wish...be creative. I look forward to seeing you next week. There will be a prize for the best dressed legs!!

All four Houses have made a really positive start to the Summer term and we look forward to awarding many House Points and certificates as the term progresses, don't forget we also have Sports Day to look forward to and time for the Houses to work together in a different way.

Easter Well Done

Miss Finney's Star of the week:

Harry C

Thank you ticket: Esme and Poppy T

Abi and Chloe H

House points: Haugh

The children in the golden book before Easter are:

Lugg: All of Lugg Class

Monnow: Lois & Jayden

Arrow: Ben & Chloe

Wye: Sianna, Yasmin & Amelia

Teme: Noah & Freya

Frome: Ruby & Reuben

Pentaloe: Stanley, Grace & Ed

Well done to all of our winners

Weekly messages and reminders...

- Please remember that clubs start next week.
- Years 3 and 5, please remember your swimming kits every Monday.
- It is really important that all children have their full PE kits in school, long hair is tied back and pierced ears are covered with tape on PE days please. your cooperation and support of the PE uniform policy is vital to the smooth running of these sessions, thank you.
- A gentle reminder please that small plain studs are the only acceptable earrings to be worn at school, hair accessories should be plain and modest in size and gelled hairstyles are not encouraged. Thank you for helping us to maintain high standards of school uniform.
- Whilst gardening over the coming few weeks if you find that you have any spare bedding plants that would be suitable for our tubs and planters we would be very grateful. If anyone also has an hour or two spare to help plant the tubs and brighten up our outdoor areas please do let us know.

In our Prayers...

This world
Your creation
Rolled into a sphere
Packaged in sunshine
Gift-wrapped in love
Given to us
Thank you

Dates for your diary...

Spring Term 2016
Please note new dates in bold

- 1st May—Bank Holiday Monday (School closed)
- 4th May—Frome Class Worship
- May: Y2 Assessment month

- 10th July—Last swim for Years 3 & 5
- 17th July—Year 6 Leavers event at the Cathedral
- 20th July— Year 6 Leavers Service at Holy Rood Church—Parents welcome

Let there be light!

Wye Class had an exciting workshop with Dr Rhodes from HCS exploring the concept of light. One of the most interesting parts was finding out about infra red light and how it communicates with TV's and film cameras. Dr Rhodes used a gherkin and two forks to produce electricity which gave light. This was really cool, the light was orange because of the saltiness of the gherkin. We also explored how it feels to be long and short sighted. Thank you Dr Rhodes for making science such fun.

By Ned and Honor

Happy Birthday this week to...

Charlie H
