

26th September 2016

Dear Parents,

On Monday 3rd October, Teme and Frome Class will be visiting the Hereford Cathedral where they are running "Music for Schools" workshops. The workshop will showcase the Willis Organ and organist Peter Dyke will demonstrate the versatility by performing 'Peter and the Wolf' a piece he arranged for the organ some time ago. The children will be able to watch Mr Dyke play the organ via video link.

The cost of the workshop will be £2. In order to avoid any additional charges we must ask for you to arrange transport to and from the venue for your child. The children will need picking up from school and taking to the Cathedral at 1.00pm. They will then need collecting at 2.30pm. Your child does not need to return to school unless they are participating in a school club. If you have any difficulties providing transport for your child please contact your child's class teacher.

Please pay for this trip via your ParentPay account and indicate in the mandatory notes box who will be taking and collecting your child. If you wish to pay via PayPoint, a barcoded version of this letter is available on your ParentPay account.

Yours sincerely

Mrs Oakley
