

7th March 2017

Dear Parents,

We would just like to remind you that Mordiford CE School strives to be a nut free environment to support the welfare of our pupils who have allergies to nuts.

Our school lunches are cooked in Fownhope School kitchen which is already a nut free environment. Please can you ensure that when you send food into school, for packed lunches, birthday/class treats, cake sales and other snacks, that they do not contain nuts. We also encourage the children to avoid sharing snacks or food of any kind with their friends.

Thank you for your cooperation with this.

Yours sincerely

Mr Foster
Deputy Head
