

10<sup>th</sup> November 2016

Dear parents/ carers,

On Thursday 8<sup>th</sup> December, Pentaloe Class will be having a Christmas craft day. We will spend the day making quality Christmas decorations to take home.

This is a new tradition for Year 6, which started last year, organised by Mrs Parrett. It was a great success: the children enjoyed the day and learned skills they can use for future Christmases.

We ask if children could please bring in a contribution of £2.50 towards the cost of materials for the activities.

Yours sincerely,  
Mrs Cooper and Mrs Parrett
