

8th November 2016

Dear parents/ carers,

Bikeability Cycling Training starts next week. Children participating will need to bring their bikes into school on Tuesday, Wednesday and Thursday (15th-17th November).

Children may leave bikes on the premises in the evenings, but unfortunately, as there is nowhere secure or dry to leave them, it would be advisable to take them home each evening.

Please make sure your child has:

- A properly fitted cycling helmet
- A roadworthy bicycle with working front and back brakes
- Appropriate clothing: warm, waterproof coat, trousers and gloves.

Yours sincerely,

Mrs Cooper
