

Our Christian Family Value for
April is ...

Patience

“ I always asked my dad if I could have a pet

And I remember him saying, “I don’t think you’re ready yet”

But one day he came home and said I had to close my eyes

And so I waited patiently for my big surprise

What is it dad? A puppy, or a gerbil?

His name is Patience, and he’s a baby turtle

Every night I feed him before I go to bed

And when he is done eating I pet him on the head

Patience is a happy turtle who’s never in a hurry

He knows I will take care of him so he doesn’t have to worry

He may be slow but he takes time to enjoy his day

His favourite part being when I take him out to play

I know that Patience makes my life great

because good things always come to those who wait”

Family Values Activity:

Have you got the patience to learn how to make an origami fish?

Hereford River Carnival have asked all schools to contribute towards making an art installation on Bishop’s Meadow which will be made up of 10,000 origami fish. Your instructions are attached on a separate sheet. Have fun!

Find out more about the event at

www.rivercarnival.org

There is even a video showing how to make the fish.

All fish will earn 10 House Points and form part of the Hereford River Carnival art installation.

have patience
with all
things, but,
first of all
with yourself.

Patience is an amazingly valuable quality to possess. It makes a real difference to our success as a learner if we learn to be patient and persevere. Be patient with each other this Easter holiday, you will find the break much more fun that way. When you come back to school after Easter try and develop a more patient learning attitude, try new things, take some risks and see what happens. Lets see what the effect of over 150 more patient attitudes can make across the whole school!

When the wait is long
You have to be strong,
Look at the positive side of life,
Be strong and you shall suffice,
There is always a light after dark,
You just have to wait for that spark,
Never give up in life!
