

Family Values

Our Christian Value of the month is...

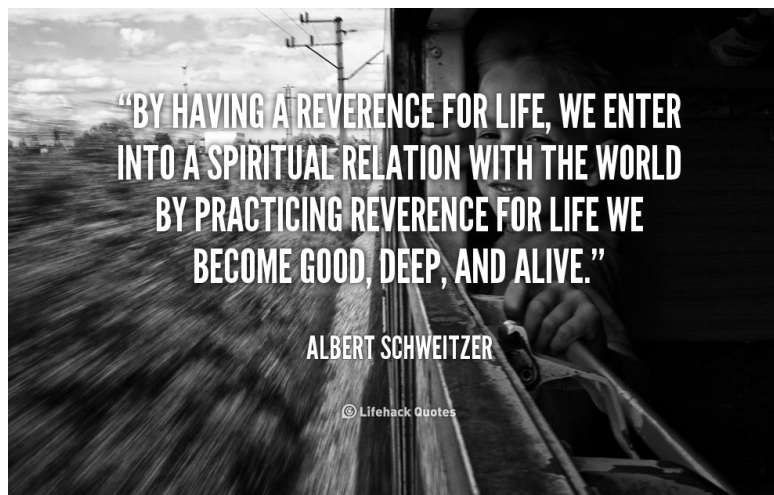

Reverence

The dictionary defines reverence as a deep feeling of awe, respect and love.

This Christmas time we remember the birth of Jesus and the reverence in which he was, and still is, held.

Jesus taught us many things, the importance of love and respect being paramount. Christmas is a magical time, that is busy and activity packed, and therefore it can be easy to forget the reason behind all the fun and festivity. Take a little time over the holiday to consider the reason for the season and remember the gift of Jesus with reverence and love.

Respect is not imposed
nor begged.
It's earned and offered.
