

Family Values
Our Christian Value of the
month is...
Curiosity

“We keep moving forward, opening
new doors, and doing new things,
because we're curious and curiosity
keeps leading us down new paths.”

Walt Disney

We are all born with amazing amounts of curiosity. Don't lose this gift...

- Have an open mind: be open to learn, unlearn and relearn
- Don't take things for granted: don't accept the world as it is, dig deeper
- Ask questions relentlessly: what, who, why, where, when and how are the best friends of curious people
- Don't label something as boring
- See learning as fun
- Read widely and diversely

If you are curious you will...

- Have an active not passive mind
- Be observant of new things and ideas
- Open up new worlds and possibilities
- Have excitement...curious people lead adventurous lives

Family Values Activity

There is a book of curiosity that is waiting to be filled. Think of your best question and write it on a blank page in our book. Ask other people to try and answer your question and to then ask new ones. Lets see if we can fill the whole book. You will find the book by the Family Values display.

Each question will earn you 10 House Points, each answer will also earn 10 House Points.

Best question and answer will win a prize.

Best wishes, Miss Finney
