Please visit the Erasmus website and have a look at what our partner schools have been getting up too...

www.body&mindhealthiertomorrow.weebly.com

For part of our Erasmus Project we will be starting Family Activities. Send photo's in of you taking part in the following activities and receive 5 house points!

The challenge this half term is to go on a walk, to bake a cake/ biscuits or to make a winter warming soup with your family.

Please send photo's of you taking part in these activities or email them to admin@mordiford.hereford.sch.uk and we will put them up on our display board and on the Erasmus website.

Our Choir went to Genting Arena on Tuesday to take part in the Young Voices Concert. Mrs Oakley, Mrs Broadbridge and our Choir have been going for several years now and they still enjoy it as much as the first time they went! The atmosphere was fantastic and the children were so well behaved, especially considering how much of a long day it is for them. Our choir did us proud once again and had such fun.

Our value this half-term is **Equality**

“There should be no discrimination against languages people speak, skin colour, or religion.”

School Council met for the first time this week with Miss Finney and had a great many fantastic ideas to offer.

Theo was voted Chair and Iestyn as Vice Chair. Honor and Will are secretaries and Ella and Tara communications officers. A suggestion box is being placed in the school entrance so that everyone can express their views and put their ideas to the councillors. The children are also working on questionnaires for children, parents and staff so that we can find out key strengths to build on and areas of school life that we can improve upon.

Ideas that were proposed for future meetings include:

- More charity work
- Playtimes
- Parking
- Writing competitions
- After school clubs and many, many more !!
