

The Mordiford Mail

Mrs Broadbridge and Miss Quinn have been away this week visiting our Erasmus Partner School in Portugal. They have posted lots of lovely photographs and we look forward to hearing all about their visit next week upon their return.

This week it was the turn of Monnow class to lead our worship which was all about love, and what a wonderful assembly it was! Well done children. The lovely poem they wrote is on page 2.

DON'T FORGET:

ALL LUNCH ORDERS FOR THE FIRST WEEK BACK AFTER HALF TERM MUST BE ORDERED BY WEDNESDAY 14TH FEBRUARY.

Any orders made after this date will not be sent to Fownhope kitchen and will therefore not be delivered on the day.

Dates for your diary...

Spring Term 2018
Please note new dates in bold

13th February—Year 1 Hearing Tests

16th February—Wear what you like day in support of Project Mala (£1 donations please)

16th February— Family Celebration Worship 2.00pm

16th February—Break up for Half-Term

19th—23rd February—Half Term

26th February—Return to school

26th February—2nd March — Writing Week

27th February— visit from Jack Ruddy, England Cerebral palsy football captain

28th February—PTFA Meeting in school 2.00-3.00pm

6th March—Parent's Meetings

7th March—Wye Class visit @t Bristol Museum

19th March—Teme Class to Easter workshop at Cathedral

Following the recent incident this week please can I ask that we all work together to ensure the children's safety. We can do this by holding children's hands when crossing the road, parking sensibly; not on the pavements or over people's driveways and also by speaking to each other respectfully if there is a problem.

Goodbye and good luck to Mrs Barton as she embarks on her new journey.

The attendance figures for January are as follows:

Lugg	97.1%
Monnow	98.1%
Arrow	94%
Wye	96.2%
Teme	97.8%
Frome	98.2%
Pentaloe	93.4%
Whole School	96.3%

Children's Mental Health Week 2018

This week is Children's Mental Health Week. The aim is to encourage children, young people and adults to celebrate their uniqueness. It's all about #BeingOurselves.

Here are 3 tips on #BeingOurselves...

Try to think of 3 things that you like about yourself: It might be that you are kind and help your friends, you like to make people laugh or maybe you keep trying even if you find something difficult. We all have different things that make us who we are.

If you notice something that makes your friend or classmate unique, let them know: It can feel really nice when you receive a compliment, it can also feel pretty great giving one too!

Next time you are part of a group: have a think about how you might all be different – whilst we are all similar in lots of ways, we are also interested in and good at different things.

If you would like more information or guidance please visit www.childrensmentalhealthweek.org.uk

In our prayers...

Over the weekend find a quiet moment to think about this reflection taken from Monnow's Class Worship on Wednesday

Take a moment to think about the people who are important to us.

- ◆ Lets think about our friends
- ◆ Let's think about our family
- ◆ Let's think about the people who care for us
- ◆ Let's think about how we can show them we love them
- ◆ Let's think about how we can thank them for their love and care

Let's decide to tell them today, or as soon as we can.

WE LOVE by MONNOW CLASS

We love chips because they taste yummy on our lips

We love jelly because it wobbles in our belly

We love pasta because it makes us run faster

We love yellow because it makes us mellow

We love playing with our toys because we get to make lots of noise

We love dogs because they chase all the frogs

We love art because it fills our heart

We love our family and friends because their love never ends

We love pink because it makes us wink

We love blue because it reminds us of you.

WE LOVE EVERYBODY!

Stars of the week

Oscar (Yr1)

Oscar has shown confidence in all aspects of learning this week. He has worked hard and always kept a smile on his face. Well done Oscar!!

Daisy (Yr2)

You are starting to adopt a far more focused and mature attitude in class. I have been particularly impressed with your work in Numeracy this week. Please keep it up.

Jasmine (Yr3)

Jasmine has been an absolute star this week! She always has a joyful smile on her face and took an active part in all the class activities.

Monty (Yr4)

Monty has shown a great learning attitude this week. He has been paying careful attention, not only in focusing during lessons, but also in trying to improve his work presentation. Well done Monty!

Sandy (Yr5)

For really impressing me with the focus you have shown in lessons and for your great attitude towards learning.

For improved organisation, being a brilliant role model at break times, and for a fantastic attitude to his work this week.

Well done to all of you.

We have had a few reports of Head lice in school. Please ensure you check your child's hair on a regular basis and treat as appropriate if you find any.

Instrumental lessons

Drum lessons available, please contact iwarren1963@gmail.com for more information.

Clarinet lessons (group lessons available), please contact karenscoleman@gmail.com for more information .
