27th February 2018

Dear Parents,

Following on from yesterday's Parent's Meeting letter, we would like to inform you that we have slightly changed the format of our interim spring reports, which are designed to give you a snapshot of how your child is progressing in relation to the expected standards for their age group, at this half way point in the year.

The reports highlight your child's overall learning attitude and contribution to school life as well as providing a summary of their strengths and areas for development in the core areas of learning: reading, writing and maths. The reports provide the next step in learning, in the form of a target, for each area. These targets give you simple areas to focus on at home and support your child to grasp the next stage of progress. This year the interim reports will be handed out at the Spring Term Parent's Meetings to provide you with a summary of the discussion with your child's class teacher. Parents Meetings are on Tuesday 6th March 2018.

If you are unable to attend the Parent's Meeting then your report will be sent home with your child on Wednesday 7th March.

Yours sincerely

Miss Finney
