The Mordiford Mail

Year Six have recently taken part in a writing competition to commemorate the bravery of soldiers in the First World War. The writing was of a fantastic standard, particular praise goes to Dan and Theo, whose work can be viewed on display in the Cathedral. Please do visit the Cathedral to view the children's work and to see the moving installation of the Weeping Window of Poppies which is on display until 29th of April.

Several classes in school have taken part in the Joe Wicks "School Fitness Week" where each day, at 10am, they have joined in on a live YouTube workout. The sessions have been great fun for the children and it's a fantastic way of keeping them active and their brains stimulated. Please see our twitter page for pictures of the children taking part. #BodyCoachSchools

The first week of Yoga took place last Friday, the children thoroughly enjoyed it. Yoga will continue each Friday, every class will have 6 sessions.

RESILIENCE

Resilience doesn't always roar.

Sometimes resilience is the little voice at the end of the day

That says I'll try again tomorrow.
