19<sup>th</sup> April 2018

Dear Parents/ Carers,

An exciting opportunity for our keen mathematicians has been organised at Lugwardine School. The day will involve activities for our more able mathematicians in years 5 and 6.

The specialist maths consultant running this event is Hazel Large. Her workshops are fun as well as being challenging. The main focus for the day will be applied maths/problem solving.

The event takes place on Thursday 26<sup>th</sup> April, at 9:15 – 2:50pm. Children will need to bring a nut-free packed lunch and drink.

School will cover the cost of the workshop, but we ask that you would organise transport for your child.

Yours sincerely,  
Mrs Cooper
