Hellens Manor

Teme Class were invited to Hellens Manor, Much Marcle, on Wednesday to take place in a music festival being held there. They have been practising their own composition based on the life of Jack Rutter (England's Paralympics Captain) who suffered a head injury when he was on the verge of signing to become a professional football player. The composition the children created was stunning and showed the different elements of Jack's life so far. They also created their own example of Enigma Variations by Edward Elgar. The children worked very hard to learn the pieces during the day to ensure the performance at the end of the day was uplifting and magical. The children showed resilience, determination and excellent values throughout the day and we are all very proud of their accomplishments. Well done Teme Class!

Miss Finney, Mrs Cooper, Mrs Parrett and Mrs Pelc are off to Poland this weekend with eight Year 6 pupils, as part of our Erasmus Project. The children will experience school in Poland as well as doing plenty of exploring. We look forward to hearing all about their trip after half-term.
