## Move up morning and settling in sessions

This week we had the children who will start Reception in September join us to spend some time in their new classroom and with their class mates and teachers. They had 3 very happy and successful visits and we look forward to welcoming them to our school in September.

On Thursday the rest of the school had a move up morning, where they all got to spend time with their teachers in their new classrooms for September. It was a lovely morning for all, everyone seemed very grown up. We really look forward to having Mr Fair with us in September.

## Year 6 Cathedral Leavers' Service

Pentaloe had a lovely day at the Hereford Cathedral Leavers' Service on Wednesday and were joined by parents for the service in the afternoon.

We have been focusing on being resilient and due to the weather being so warm at the moment it is hard to get a good nights sleep and it also makes people much more irritable than usual. Please help us to instil resilience and understanding in our children so that we can have a happy and positive end to the term.

Well done England for qualifying for the next stages of the World Cup...good luck for Tuesday's match against Colombia.

## Rainforest Foundation UK

Teme Class held a plant sale last week to raise money for Save the Rainforest charity. Thank you to all who supported us, it meant a lot to the children and they successfully raised over £58.00. This will be forwarded to the charity making a big difference to preserve the Amazon Rainforest.

## Acton Scott

On Monday Arrow Class had a great day at Acton Scott. During the day they took part in "the secret lives of trees" workshop and learnt about the eco-systems of an oak tree. They also had time to explore a working Victorian farm complete with Shire Horses, a farm house and a working blacksmith.

## Reminders...

- Wye Class Worship Assembly is on Thursday 5th July. We apologise for the change in date
- Please bring named hats and sun cream to school everyday, we are set to have beautiful hot weather again next week.

## In Our Prayers...

God grant us the serenity to accept the things we cannot change; courage to change the things we can; and wisdom to know the difference.

## School Council and PTFA

This week the KS2 members of School Council met with the PTFA. The children spoke eloquently about their ideas for fundraising activities and gave plenty of suggestions to the PTFA about future fund raising and social events.

The children have agreed that the money they have raised so far this year, which currently stands at approx. £50, is to be put towards plans to revamp Dragon's Den after the summer break. We also discussed plans to apply for a grant fund to help us install an all weather Daily Mile track which will circle the children's climbing trail and allow us to use our equipment and keep up our Daily Mile through the winter months.
