

**Pupil Premium Funding 2018-2019**  
**“Treasure Each Individual”**

The ‘Pupil Premium’ was introduced in April 2011. The Government provides additional funding for certain groups of pupils: those who are eligible for Free School Meals (FSM), children who are looked after and pupils whose parents are in the armed forces. This includes pupils who have been eligible for FSM within the past 6 years (FSM Ever 6).

*“It is for schools to decide how the Pupil Premium...is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.” Source DfE website.*

#### How will the impact of Pupil Premium Spending be monitored?

- Through rigorous and regular Pupil Progress Meetings the impact of interventions will be monitored to decide whether children entitled to Pupil Premium are making progress, in line with their non-pupil premium peers, in terms of academic progress, self-esteem, physical well-being and attendance
- Involve whole staff in decisions about what next steps could be taken to diminish the difference for children receiving Pupil Premium
- Records will be kept and monitored for intervention groups
- Continue to monitor the specific impact of successful interventions/actions/resourcing
- Meet regularly with the Pupil Premium Governor, Mrs Margaret Gerring, and update the Governing Body, half termly
