

### Frome Class Shakespeare Sharing Day

Frome Class took to the stage on Monday to deliver a fantastic performance of Much Ado About Nothing in front of a paying audience at the Courtyard Theatre. The production was the culmination of months of work, which started back in October with a series of workshops with a drama practitioner as part of the Hereford Shakespeare Festival. The children's hard work rehearsing and learning lines was clear as they performed with confidence and it could clearly be seen how much they had enjoyed the experience. Mr Foster is incredibly proud of the class who were a credit to the school.

### Teme Class Waterworks Museum Trip

Teme Class visited the Hereford Waterworks Museum on Tuesday, it was a full day, where they learnt about the Water Cycle and also about the 3 Ps, of what is correct to flush down the toilet (pee, poo and paper). The children used filtration to make the water clean enough to drink and they learnt about using gravity to ensure towns get their water supply. The highlight of the day was finding out if Welsh Water had a healthy pond, which was done by pond dipping and analysing the wild life, the children used microscopes to do this. We are happy to let you know that the wildlife pond was indeed full of life and we voted it to be a healthy pond. We all really enjoyed our day and learnt so much - thank you very much Welsh Water.

### Car Park Update

We are delighted to say that the plans for our new car park have been submitted to the Local Authority planning department. If you would like to see the plans they are on display on the NEWS notice board in the Office reception area. The school was surveyed from the exterior and interior last week and the results of this survey will form the basis for the initial stages of the architects work over the next few weeks. Following that we hope to be able to share with you some options for how the school buildings could develop over the next decade. Consultation events will be organised so that everyone has a voice in our development plan. Future development of the school will be reliant on attracting sufficient funding.

### Change 4 Life

We have received healthy eating packs from Change 4 Life, which tell us that more than 34% of children are overweight by the time they finish primary school, with many children aged 4-10 consuming more than double the amount of sugar that they should! The healthy eating packs are fun and interesting with lots of useful information and each child will be given one to bring home.

**Lake (Rec)**

Amazing progress with your reading and writing. You have developed a brilliant learning attitude. Don't forget you have promised me that you will keep it up!!!

**Olivia (Year 1)**

For continuing to be a fantastic role model to her class. She's kind, thoughtful, hard working and conscientious.

Thank you Olivia.

**Monty (Year 2)**

Well done Monty. You have been doing some excellent problem solving in your numeracy this week. Good to see you employing correct mathematical vocabulary and explaining your reasoning clearly to others.

**Sam (Year 3)**

For showing an enormous change in attitude towards your work this week. Your contribution to our whole class discussions has been fantastic as well as your manners and effort. Keep this up!

**Poppy (Year 4)**

For an amazing version of your favourite Aesop Fable using the features asked for correctly within your rich descriptive writing. Well done - thank you also for always being such a good role model to others in the school

**All of Frome Class (Year 5)**

Frome Class – I am incredibly proud of you all for the way you performed on Monday night at the Courtyard. Your behaviour was excellent and you performed with great confidence and supported each other throughout. Well done!

**Bea (Year 6)**

For producing two very impressive pieces of writing this week, and for ALWAYS being a super, kind, sensible member of Pentaloe .

**Messages/Reminders...**

- The road from Dormington to the school will be closed from 9am-5pm on Monday 4th Feb until Thursday 7th Feb. The school can still be accessed from the A438, but greater than usual congestion is likely. Please allow plenty of time to ensure your children arrive at school on time.
- Please remember that we have children and staff with nut allergies so please do not send food items containing nuts into school. Thank you.
- There will be a change of school lunch menu for one day only on 15th February to celebrate Chinese New Year—details of menu choices for this day will be circulated in the coming days.
- Please note that all clubs finish at 4pm (with the exception of Football Club). Can children please be collected promptly.
- We wanted to make parents aware that there is a petition in Fownhope shop to reduce the speed limit on the road between Fownhope and Mordiford.

**Prayer Corner**

Loving and gracious God,

I have given gold, But there is only so much gold. I have given blood, But I have only so much blood to give. I have given my time, But days have only so many hours. I have given my strength, But even that has its limits. So I give my love. Because love is gold, and love is blood, and love is time, and love is strength. But love is also so much more. Because love is God. And God is love. And only you, God, have no limits
