

## Lugg Class Castle

We would like to say a big thank you to Mr Shaw for the beautiful wooden castle that he has made for Lugg Class. As you can see from the picture, the children have chosen to name it Party Castle and they have been having lots of fun playing in it.

## Safer Internet Day

Tuesday 5th February was Safer Internet Day. This year's theme was 'Together for a Better Internet' and more than 2,100 organisations and schools across the UK were involved to help inspire a national conversation about using technology responsibly, respectfully, critically and creatively. More information can be found at: [www.saferinternet.org.uk/safer-internet-day/2019](http://www.saferinternet.org.uk/safer-internet-day/2019), where there are a range of resources and activities for parents and carers.

The children in Teme, Frome and Pentaloe Classes were each given a Digital Parenting magazine to take home, which includes lots of useful information on safer use of the internet.

## School Car Park Planning Application

The planning application for our new car park can now be viewed on Herefordshire Council's Planning Application Search website. Comments can be made on the planning application via this site and we would gratefully welcome any supportive comments you might like to make.

## Thank You Mr Broadbridge

Thank you to Mr Broadbridge for the lovely frame that he made for the school's Erasmus Dragon, which will very soon be on display for the children, staff and visitors to enjoy.

## Family Celebration Worship

This month's Family Celebration Worship is at 2pm on Friday 15th February, with tea, coffee and biscuits being provided by the school council afterwards from 2:30pm to 3:00pm, for which donations are very welcome.

**STARS OF THE WEEK**  
**Miss Finney's Star: Niamh**  
**The Little Cup of Kindness: Alex**

**Elvis (Rec)**

Elvis has been a maths superstar this week, working really hard which has produced great results.

**Daniel (Year 1)**

For making really good choices and fantastic progress in all areas of the curriculum. You are setting a great standard. Well done.

**James (Year 2)**

For some amazing problem solving this week using fractions and being able to explain your reasoning clearly to others. You must now work really hard to make sure you record your work clearly in your book.

**Noah (Year 3)**

Your attitude towards learning has been exceptional this week. You have showed everyone in the class that when you focus your mind, you can achieve anything. Well done!

**Maisie (Year 4)**

You have been really challenging yourself this week with your work on decimals and fractions. You always set yourself a high target in all aspects of your learning. You are a delightful member of Teme Class and a good friend to all.

**Frome Class (Year 5)**

To all of Frome Class, for your fantastic team work this week!

**Sandy (Year 6)**

For speedy, focussed work this week and for completing a huge piece of excellent quality writing!

**Erasmus Project Visit**

As part of the two year Erasmus project 'Mind and Body: A Healthier Tomorrow' we will be welcoming staff and pupils from our partner schools of: Poland, Spain, Portugal, Worcester, Italy and Turkey. They will be spending the week with us from 18/19<sup>th</sup> – 24<sup>th</sup> May 2019 (the week after Y6 SATs and the week before half term). Approximately 26 pupils will be visiting from across the Polish, Italian, Spanish, Portuguese and Turkish schools (not Worcester!) and we need to find host families (who have children in Frome and/or Pentoloe Classes) who might be willing to look after one or preferably two children during this week. The children in Frome and Pentoloe Classes have been given letters with more information.

**Prayer Corner**

Be a bright flame  
 before me  
 Be a guiding star  
 above me  
 Be a smooth path  
 below me  
 Be a kindly shepherd  
 behind me  
 Today, tonight and forever  
 Amen
