

### Ferrous Project visits Teme Class

On Wednesday, Teme Class had a visit from thirteen blacksmiths! This was part of the Ferrous 2019 Festival which celebrates artists' blacksmithing. The children designed their own plaque entitled Celebrating The Natural World and, with the help of the blacksmiths, recreated their design using chisels and punches onto tin, adding texture and depth. The finished products were amazing and you will have the opportunity to view their work, which will be displayed at the Maylord Shopping Centre from 5th to 15th April.

**PLEASE SUPPORT THE SCHOOL'S ATTENDANCE POLICY BY NOT BOOKING HOLIDAYS DURING TERM TIME AS THEY CAN NOT BE AUTHORISED.**

### Curriculum Showcase

Thank you to all of the parents and family members who joined us this morning for the Curriculum Showcase. It was lovely to have so many visitors. We hope you had an enjoyable time.

### Holiday Bear

Holiday bear spent a lovely half term with Charlie in Lugg Class. He sat in Charlie's bedroom and was very cuddly and well behaved. Charlie enjoyed having him to visit and Charlie said his parents were proud of him. Holiday Bear is now enjoying a rest and thinking of who he will visit over the Easter break.

### Car Park Support

Don't forget the school car park plans are currently with the planning department at Herefordshire Council. Please do go online and add supportive comments as this will really help the chances of achieving our car park. Thank you

## Volunteering In School

We are always happy to have volunteers supporting the children in school and would especially welcome a team of parents who can regularly listen to the children read.

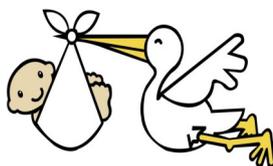

Two of our wonderful regular volunteers have made the following comments about their experiences of helping the children:

'I have absolutely loved listening to our children at Mordiford reading this term. I gain a great deal of pleasure from seeing what a difference a little bit of one to one reading time makes to a child's reading ability, confidence and enjoyment.'

'It is wonderful to listen to the children reading and see how they are progressing. It's a privilege to help.'

## Congratulations!

We are thrilled to announce the safe arrival of our office baby Harry Mobbs, 9lb 3oz, born on Monday 25th February. Congratulations to Becki and Will. We can't wait to meet the newest member of our team.

## Erasmus Dragon

We are delighted that the Erasmus Dragon, created brilliantly by Wye Class and artist in residence Fliss O'Neill, now has a lovely frame and a new home by the front door. The dragon is there to welcome visitors to school and for the whole village to enjoy. Wye Class have all been awarded an Arts Award Discover from Trinity College London for their participation in the project, well done. Thank you to Mr Broadbridge for making the frame and installing the art work.

## Prayer Corner

Dear Lord,  
We give you our school.  
We give you all the children who learn here.  
We give you all the teachers and staff who work here.  
We pray our school would be place of great discovery, adventure and creativity.  
May it be a place where we love to learn and where we learn to love.  
A place where everyone is respected and all are deeply valued.  
We ask all this through Jesus Christ our Lord.  
Amen
