The Mordiford Mail

Visit By The Poet, James Carter

Mordiford played host to the poet James Carter on Wednesday. The day started with assemblies for KS1 and KS2 where he entertained and enthralled the children with his poems and music. He then led workshops and helped the children write their own outstanding poems which some performed in a final assembly at the end of the day. It was a superb day, organised as part of the Ledbury Poetry Festival, and was a pleasure to see all the children enjoying James' fantastic enthusiasm for poems and wordplay.

Here are examples of some of the poems:

She's the brightness that takes the storm away.
 She's the song of the birds tweeting.
 She's the first star in the sky.
 She's a burst of bright yellow heading my way.
 She's got the courage of a breezy red robin.
 She's the warmness that takes away the breeze.

Impossible Gifts

These are the gift I would give to you if I could:
 A snowdrop blooming late in winter with stardust placed in a cauldron full of magic.
 The first swallow of spring under a scarlet blue sky.
 All of Saturn's rings of gold wrapped up with the seven Wonders of the World.
 The key to a treasure chest in a silver box.
 A pinch of cosmic dust wrapped in a milky moon.

Maths Triad

We were visited last week by staff from Madley and Shobdon Schools as part of the Maths Triad School Improvement Partnership between our schools. Feedback from the visit showed that our strengths were:

- Children have clear strategies for when they are "stuck";
- Children took pride in the presentation of their work;
- Positive attitudes to learning were shown throughout the school;
- Very strong nurturing relationships: adult-child and child-child;

The feedback also showed that things could be even better if:

- It was ensured that there are opportunities for written reasoning in all classes;
- We continue to promote mathematical vocabulary.

Mr Sibcy visited Madley School this week as part of the Maths Triad and will be visiting Shobdon school during the summer term.

Red Nose & Crazy Hair Day

The children had lots of fun on Red Nose Day with many of their crazy hairstyles being very impressive. A total of £292.22 was raised from Crazy Hair donations and the sale of Red Noses, which will benefit Comic Relief and the many worthy causes they support.

Authors Abroad Writer's Day

On Wednesday we went to Lugwardine Primary Academy to meet the poet/author Terry Caffrey. First he introduced himself and talked about his life. During the day we did lots of fun activities including: a River of Words, 123 brain games and writing poems called 'It was so quiet I could hear'. He also read some of his own poems (including one about bottoms!) and we really enjoyed the day.

Prayer Corner

I will not hurry through this day
 Lord, I will listen by the way,
 To humming bees and singing birds,
 To speaking trees and friendly words;
 And for the moments in between
 Seek glimpses of your great Unseen.

I will not hurry through this day;
 I will take time to think and pray;
 I will look up into the sky,
 Where fleecy clouds and swallows fly;
 And somewhere in the day, maybe
