Wow...what a week!

The school has been bursting at the seams with visitors and activity. From sport, ICT, art, forest school, peer massage, circus skills and trips out it has certainly all been going on this week. It has been so rewarding to watch new friendships blossom and to hear the laughter and chatter in so many different languages. Visiting teachers have been very complimentary about the school, the lessons they have seen, the school setting and of course our fantastic children. We could not have hosted such a successful event without a superb team effort. Thank you to everyone who has been involved; Mrs Broadbridge for coordinating, host families for looking after our visitors so well, staff for planning creative activities and organising hospitality, the children for being so friendly and welcoming, Teme Class and Miss Glover for giving up their classroom space for our visitors, PTFA for the brilliant Barn Dance and Mrs Crisp in the office for keeping us all on track. All of your efforts have been gratefully appreciated, our visitors are leaving Mordiford with many happy memories.

Being part of the Erasmus Healthy Mind Healthy Body project for the past two years has been a very special experience for Mordiford. We have taken 18 children abroad, to Poland and Spain.

Staff have had wonderful opportunities for professional development. We have enriched the curriculum with the fitness tracker project as well as introducing balance bikes in YR and Y1 and peer massage across the school.

★HAPPY★ BIRTHDAY!

Jotham Y1, Flo Y4, Cerys Y2,
Kitty Y6 and Lawrence Y1

Have a wonderful half-term everyone!

STARS OF THE WEEK

Holiday Bear: Sammy

Alfie (Rec)

You have shown such resilience this week, not only during all the activities you have engaged in but on our walk today. You have shown yourself to be a good role model. Please keep this up!

Amir (Year 1)

For super listening skills and getting stuck in during our Erasmus Sports Day. You showed amazing team spirit during the morning and encouraged others but you also listened carefully to the rules and instructions. Well done!

Ollie E (Year 2)

Well done you are really trying to demonstrate what you are capable of. You are always eager to contribute with a huge smile on your face!

Freya (Year 3)

For just being you. You always work so hard and offer your support to anybody that needs it. The resilience you have shown over the last few weeks has been fantastic which has resulted in you completing a brilliant piece of work. Well done!

Ethan (Year 4)

For adapting well to a change in our learning environment whilst showing resilience and understanding. You are a pleasure to teach as you always explore our learning to a greater depth. Well done!

Will (Year 5)

As well as being a great host you have shown fantastic behaviour and maturity this week. Well done for maintaining your focus during a VERY busy week!

Alistair (Year 6)

You are such a kind and helpful pupil and have been an asset this week both as a help to our visitors, an assembly monitor and a digital leader. Thank you!

Tara Mair

We always love to hear what children have been achieving outside of school. We certainly have some very talented youngsters. Many of our children are keen gymnasts; a couple of weeks ago, Chloe shared amazing photos of her work on the bar and here is Tara performing a split leap mid air at the Midlands Novice Competition. Fantastic stuff !

Prayer Corner

Lord,

We give you our Erasmus friends and thank you for them.

We thank you for everything that they are
And for all their gifts and talents.

We thank you for the many things that they have given to us this week and throughout our project.

And for all the kindness that they have shown us.

May each step they take be filled with faith
Each thought they think be filled with hope
and each moment they live be filled with love.

Amen

Messages/Reminders.....

- Please remember that after half-term Team Bees will no longer be offering an after school club on Fridays. The provision will continue to operate as normal Monday –Thursday. 
- Can children please be prepared for the summer weather, raincoats for showery days, sun hat and sun-screen for warmer days. As always please can you label all items with your child's name. Thank you.
- Please ensure that your child has their correct PE kit in school and that swimming kit is sent in on Mondays for Y3 and Y5.
- Please note that due to staff training there will be no needlework, KS1 cricket or KS1 mini athletics on Monday 17th June. PACES will run as normal.
