

The Mordiford Mail

Year 5 Languages Day

Frome Class immersed themselves in a range of foreign languages at Bishop's last week. The class listened to a performance of two fairy tales where every word was in French and then took part in workshops in Spanish and German. The children finished the day performing a song "Baby Shark" in French, in front of the staff from Bishops and children from other primary schools. Frome class were brilliantly behaved and embraced the chance to learn new skills and take on new challenges.

Forest School Shelter

Thank you to Mr Shaw for building our lovely new Forest School shelter, it looks amazing. We can't wait to begin using it in the new year and to continue developing this part of our grounds.

Thank you!

Thank you to everyone who has helped the school this year. Thank you to children and staff for working so hard. We are grateful to our Governing Body and Trust Board, the PTFA and our volunteers. Thank you for all of your help behind the scenes, with fundraising activities and listening to the children read and also to the parents—thank you to all of you for all that you do to support our school and the children.

We look forward to another happy and successful school year during 2019/20

As you may know I have exciting news as I am getting married on July 27th, I will be keeping my school name Miss Finney (too confusing to change now after 20 years as Miss Finney in my school life!), but will become Mrs Hepworth officially. Thank you so much for all your good wishes, David and I have been very touched.

Have a wonderful summer.....see you in September.

**Best wishes,
Miss Finney**

Hereford Community Clean & William The Bull

We had a visit from Andrew Wood who is coordinating a community recycling project. He spoke in assembly and also dropped off some recycling bins, which have been sponsored by local businesses. We will let you know next year what we will be collecting in our new bins. William the Bull has been visiting schools to promote the project and already contains about 8,000 plastic bottle tops, we each signed our name on a bottle top to help fill him up. There will be 8 bulls in total which will be on display in the county in 2020.
