

The Mordiford Mail

COVID -19 Coronavirus

We are closely following the daily guidance given by the DfE and ensuring that we follow the good practice that is advised. Guidance is currently that schools remain open, however we are making plans to prepare for any enforced closure to the school either due to a local outbreak or government decision. This planning includes support material for the children and you as families so that as far as is practical we can maintain continuity in the children's education. We will of course keep you updated and let you know of any significant changes immediately. Please also keep us fully informed of any changes to your own circumstances so that we can factor this into our planning procedures. **Please review the up-to-date information on the Public Health England website (<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>)**

Thank you very much for your support and cooperation.

Car Park Update

Last week we had a site meeting with the contactors and the Local Authority. We were delighted when Owen Pell reported that despite the soggy start and recent road closures they have made a good start and hope to complete the project in June. Any remaining work that requires the use of traffic lights on the main road is planned for the school holidays to minimise disruptions.

Netball Tournament

On Wednesday some of our year 6 pupils took part in a Netball Tournament at Whitecross High School. The children were brilliant role models and showed fantastic sportsmanship. Our fast pace was hard to compete with and they did themselves proud.

For a fantastic approach to your work. You are rising to the challenges this term and showing great resilience and dedication.

We are thrilled that we have received over 100 new books worth £600 from the Sun Newspaper's reading campaign. Some non-fiction books have been identified for the library and all reading stages have some new material.

In our prayers...

*God, give us grace to accept with serenity the things that cannot be changed,
Courage to change the things which should be changed,
and the Wisdom to distinguish the one from the other.
Living one day at a time,
Enjoying one moment at a time,
Accepting hardship as a pathway to peace.
Amen*

Happy Birthday

This week to...
