

Think Tank

On Monday Lugg Class had a fantastic trip to Think Tank in Birmingham. We began the day with a Lego innovation workshop where the children investigated using gears to complete simple design projects. We then spent the day exploring the rest of the museum. The Science garden was a particular highlight. The children had fun and were superbly behaved.

World Book Day

Thank you to all of the children for their fantastic World Book Day costumes yesterday. You should have World Book Day vouchers in your children's book bags tonight.

Black Country Living Museum

Arrow Class visited the Black Country Living Museum on Wednesday. We learnt all about what it was like to be a child during the Victorian era. Whilst we were there we were lucky enough to go on a double decker bus. We visited the Victorian school house and were taught by an extremely strict teacher...the children were worried that Mrs Oakley and Mrs Parrett were going to gather some tips!!
