

# The Mordiford Mail

If you have been on the school site recently you will see that the new car park is very much taking shape as it is due to be completed by the 24th of July.

There will be temporary traffic lights in action from w/b 6th of July until the end of term. Owen Pell are hoping to organise the lights around the timings of the school day. They will also need to carry out work to the section of the public footpath that we are currently using as our secure access. Owen Pell are going to assist us in creating a safe walk way along the school wall. Once we have a confirmed date for this we will let you know of the new arrangements that are likely then to remain in place until the end of term.

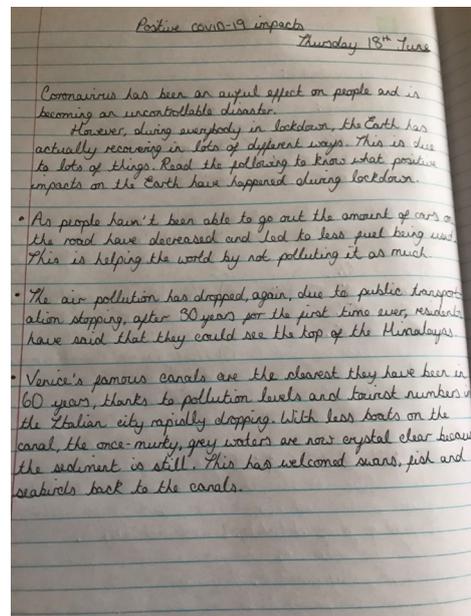

Once the car park is complete we will carry out a risk assessment and consider how the new drop off and pick up arrangements will work. These arrangements will be communicated to you prior to the start of the new academic year to hopefully give us a smooth start to using the new car park.

Have a lovely relaxing weekend.

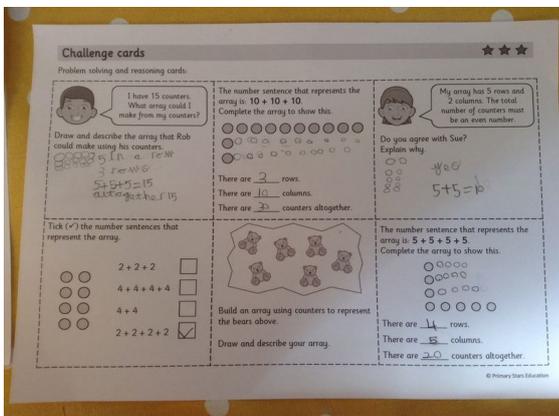

Best wishes, Miss Finney

Lottie from Lugg Class has made some excellent instructions on how to cook pasta.

Sianna from Pentoloe Class has written a lovely piece about the positive impacts that Covid-19 has had.

This week Charlie from Monnow Class has been working really hard on his multiplication using arrays, he's been challenging himself at home and has really got the hang of it. Well done Charlie what a superstar!

Frome Class have been creating comic strips this week as part of their home learning. Here is Bobby's brilliant comic strip story.

Here is some of our Bubble Buddies Paddling in the brook after forest school. Followed by water fights and sprinklers in the afternoon. They have certainly been making the most of this beautiful weather...

**PE Kits**

If you have received a message regarding your child’s PE kit being left in school please can you arrange for this to be collected ASAP as we need to maintain a hygienic environment.

**Herefordshire Virtual School Games**

Next week we will be taking part in the Herefordshire Virtual School Games. These will include a different challenge daily – Tennis, Athletics, Rugby, Cricket, Basketball and Dance. We will be sure to let you know how we do on next weeks newsletter...

From all of us this week to ...

Sienna, Ashton, Louie & Kaleb

**Thank you for helping us to maintain a safe environment at school.**

**These are ways that you can help us**

- It is very important that you let us know if your child is not coming to school. We will call home if a child we are expecting does not arrive by close of registration at 9.30am.
- Please remember sun cream, hats and water bottles in the hot weather.

**Prayer Corner**

We give you our school.  
 We give you all the teachers and staff who work here.  
 We give you all the children who study here.  
 We pray our school would be place of great discovery, adventure and creativity.  
 May it be a place where we love to learn and where we learn to love,  
 A place where every one is respected and all are deeply valued.

Amen
