

## Mordiford CE Primary School Pupil Premium Funding 2015-2016

In 2011-12 the Government launched its Pupil Premium funding. This money is delegated to schools based on the numbers of pupils in the school who are eligible for Free School Meals (FSM). From 2012-13, it has been expanded to include all children who have been eligible for FSM in any of the previous 6 years. This money is allocated to initiatives to ensure pupils reach their full potential, both academically and socially. Pupil Premium is also used for children looked after, children of armed services personnel and children adopted from care.

At Mordiford CE Primary School we have a relatively small number of pupils who are eligible for pupil premium. In the January 2015 census the figure was about 12% of the school roll.

The table below outlines our aim to support the children in our school who are eligible for Pupil Premium funding.
