

13th June 2016

Dear Parents,

E-Safety Evening

Mark Sanderson will be running an E-Safety information evening for parents on Thursday 16th June from 5.45pm – 7.00pm. We hope that as many of you will attend as possible.

Ensuring that the children are safe whilst using the internet, both at home and in school, is very important and we feel that this information evening will help give you ideas of how you can protect your children at home and will give you an insight on what we have in place at school.

There will be members of staff in school to take care of any school aged children should you be unable to find alternative childcare (biscuits and squash will be available for the children).

Yours sincerely

Mrs Oakley

E-Safety evening

I/wewill be attending the E-Safety evening.

My child/ren..... will also be attending.

Signed.....
