## APRIL FOOL'S DAY is BREAK THE RULES DAY!

This April Fool's Day (Monday 1st April) we are running a fun fundraiser to celebrate the day where tricks and pranks are traditional.

**Children can choose up to 5 school rules to break on April Fool's Day (Monday 1st April) from the list below.**

Please bring your form to school on Monday morning with the correct change and hand it in to your class teacher. Your teacher will check off the rules you have paid to break, and then you have permission to break the rules!

*Remember: we are still a nut-free school for snacks etc. if you choose to bring something not usually allowed in. And if this year is a success we might run it again ... so be honest, no trying to break a rule if you haven't paid for it, and choose wisely.*
