

The children practised this week during the build up to their iSing POP concert which took place yesterday at Holy Rood Church and was absolutely fantastic. A big thank you to our tutor Emily who practised with the children and to the children for your enthusiasm. Here are a few words from some of the children about their experience this week...

“ It was an amazing experience and an absolute delight to have a CD with our voices on” Maya. “ It was a lifetime opportunity to take part in the concert singing with my friends” Enya. “ I don’t normally like singing but I like pop songs so this was an excellent opportunity to enjoy singing” Christian.

Emilia (Rec)

For working so hard on your phonics. You have a lot of great ideas to share with the class when you put your mind to it. Stay focused. We love hearing from you.

Elvis (Year 1)

Elvis you have absolutely amazed us this week; not only with your incredible knowledge about sea creatures but also with your determination and resilience with your writing and reading.

Your perseverance is paying off – keep it up super star!

Matilda (Year 2)

WOW! You have worked incredibly hard during this half term. You have also wowed us with the amount of extra thinking you are doing at home around what we have been doing during the day in maths and literacy. Good girl. Keep this up. What a star.

James (Year 3)

You have really impressed Mrs Chattington and myself with your hard working ethos since being in KS2. You wrote an excellent and factual newspaper report about Boudicca and also you sung beautifully in the I Sing Pop concert yesterday. Thank you and keep up this super attitude to your learning.

Eden (Year 4)

You've been an absolute star over the last few weeks. Your dedication and desire to improve has been second to none. The enthusiasm you have shown towards all aspects of school has been wonderful and we are very lucky to have you here in Teme class.

Thank you.

Enya (Year 5)

Thank you for being an amazing member of the class throughout the half term. You always do every piece of work to the highest possible standard, and you are always a perfect role model in the classroom and around school. Superstar!

Ollie (Year 6)

For showing fantastic perseverance and dedication when swimming this week. It has been fantastic to see your confidence grow as the sessions have progressed. Well done!
