

The message for this year's anti bullying week is clear:
Small change. Big difference.

Whether it is verbal, physical, online or in-person, bullying has a significant impact on a child's life well in to adulthood. By making small, simple changes, we can break this cycle and create a safe environment for everyone. Because together, we can challenge bullying. Change starts with a conversation. It starts with checking in. It starts with working together.

Change starts here.
Change starts now.
Change starts with us.

On Tuesday 12th November we will be taking part in Odd Socks Day to celebrate our differences. Come to school with the oddest socks that you can to jazz up your uniform.

Our Christian Value this Half term is

Joy

“I don't think of all the misery, but of the beauty that still remains.”
Anne Frank—The Diary of a Young Girl

We have some poppies in the school office if you would like to make a donation to the Royal British legion.

Prayer Corner

This week our prayer is from Elissa Y3

Dear Lord,

I come to say thank you for your love today and for all you have done for us.

Please help us to overcome our fears and learn from our mistakes.

Please help everyone to feel happy and if people are sad help them to feel happy.

Please do these things to make our world better.

Amen

Firework Poems Y5

Here are some extracts from some wonderful poems written by Frome Class this week...

“Warriors marching into the pitch black,
Stampeding amongst each other, pillaging the
midnight sky

Erupting like volcanoes with an amazing array of
shimmering colours

Magnificently showering down. BOOM!” Maisie

“ The sky was as black as a witches robe.

The Earth was silent.

Bang! Boom ! Cackle!

The night erupted with colours like sparks from a
cauldron” Ben

“Whoosh!

Erupting in tot the night sky.

I am covering my ears.

Kaboom!

Shimmering and prancing,

Trying to be the best.

They're as aloud as a bomb.

HISS!

Another one,

Showing off it can paint the night sky” Flo

“Spinning flaming red candle ballerinas light up
the night.

The explosion of colours and bursts of happiness
dressing the midnight sky, filling the world with
joy” Maya

FREE TREE GIVEAWAY

We live in a beautiful part of the Country and can take for granted the many benefits of planting trees. By absorbing CO₂ from the atmosphere trees help to combat climate change. Woods and trees are home to more wildlife than any other landscape, providing homes for thousands of species including our most loved animals.

Dormington and Mordiford Group Parish Council is committed to combatting climate change and would like to encourage tree planting by giving away free trees to plant in your garden or land.

The Woodland Trust is organising the 'Big Climate Fightback' on 30th November which seeks to plant a million trees across the UK – we want our parish to be part of this.

If you would like free trees to plant in your garden or on your land, please get back to us by 18th November indicating the species and quantities. Email clerk@dormingtonmordifordgroup-pc.gov.uk with your name and contact details, so we can contact you to arrange collection or phone 07777 669 662 for more details.

More information about tree species can be found here:
