

The Mordiford Mail

Parent Surgery

Mr Foster and Miss Finney will be holding a drop in surgery for parents next Friday 24th January at 2.15pm. The topic that we would like feedback on is: School Events and Activities

We would like feedback about timings/ days that things run, frequency of events, how children are selected to represent school, range of activities offered and ideas for future events.

If you are unable to come in person we would welcome your views by email or letter via the school office.

We will summarise the views received and any developments that are made as a result of the consultation.

Thank you for your donations of small change we have been able to send £44 to the Children's Society following our service at the end of autumn term.

Ula (Rec)

Ula; For being an all round superstar. You always set a great example to others. You are making excellent progress, especially with your phonics. Well done.

Jacob (Year 1)

You have impressed me so much this week with your learning attitude. You have really tried to work independently and do your very best in all of your work.

Keep up the good work! Well done!

Elijah (Year 2)

Elijah- For continuing to improve reading through sheer hard work and determination. Your initiative to come into school promptly and complete extra work is outstanding.

Elissa (Year 3)

You always give your 'best' to everything you do. You demonstrate tremendous resilience with your learning attitude and are always ready to help others too. You set yourself a high standard and you should be very proud of all you have achieved so far this year.

Chloe (Year 4)

for continuously showing determination and passion in all aspects of school. You never fail to ask the questions which furthers your own learning and understanding. This is very clear in your work. I am very proud to see all the progress you are making.

Sultan (Year 5)

We have been so proud of your resilience and perseverance this week. It was great to see you succeeding and your hard work paying off. Well done!

Millie (Year 6)

I have been incredibly impressed by your resilience and learning attitude. You are not fazed when something goes wrong or you are not 100% certain. This has made a massive difference and the results are already great to see.

Closing procedure

In the event of colder temperatures and snow-fall our aim will always be to remain open if possible. However, if like last year we experience more extreme conditions we may have to close the school. This decision will be based on safety: road conditions, ability to clear the site, adequate availability of staff. You will be informed of school closures as soon as possible via the school website, Herefordshire Council website: school closure section (you are advised to sign up to their alerts), Twitter and Parent Pay. Where the school remains open it is down to each individual family to decide if your journey is safe.
