

Cadbury's World

Year 6 had a fantastic chocolatey experience at Cadbury World this week, learning about how the different bars are made as well as having a chance to taste delicious melted chocolate. During the workshop class members dressed up as Aztec emperors, warriors and merchants and learnt all about life in Aztec times. The class were fantastically behaved and received praise for their manners.

Car Park

We are delighted to let you know that Herefordshire Council will soon commence work on a new car park and drop off point for the school. It is very much hoped that this will result in an easing of the traffic problems in the village. The work will commence on the 10th February and be completed by the 5th June, and we have worked with the Council's contractors to ensure that disruption will be kept to a minimum. It will be necessary for traffic lights to be in place towards the beginning and end of the project, but we have ensured that these will only be in place during school holidays when the traffic is lighter.

Mr Watson (our Lollipop man) reported a serious near miss at the crossing last week as young children were not holding their supervising adult's hand and the family group had not stayed together. Please ensure that all children are well supervised along the pavement, crossing area and footpath to avoid placing anyone in danger.

We have also had reports from a concerned resident about parents turning their cars around at the main junction, parking on the white passing lines and moving cones to park. We ask that everyone pays due care and attention to safety and courtesy at the beginning and end of the school day.

The Tempest

Frome Class made us all exceptionally proud on Tuesday, when they performed The Tempest at The Courtyard. Every last one of them worked incredibly hard to learn their tricky lines, and performed confidently and enthusiastically on stage. Their teamwork was amazing and they brought about a fabulous production. Thank you, Frome!
