

Tudor Trip—The Cathedral

Frome had a fantastic, informative visit to Hereford Cathedral on Thursday. We learnt all about the Tudor influence on the Cathedral and met some important Tudors in person. We spotted some Tudor graffiti and spotted Tudor roses in many corners of the building. We made and played some children's games which were popular in Tudor times!

Erasmus Trip to Finland

Miss Finney, Mr Sibcy and Mr Fair are heading to Finland this Sunday for the week with four Y6 pupils to visit one of our partnering Erasmus+ schools. We look forward to sharing all of their exciting experiences with you when they are back.

Trust

Thank you Worship Crew for leading our service on Wednesday. They asked us to think before we speak and to be trustworthy people not gossips.

School Winter Games

On Wednesday Mordiford won the Tennis during the Winter School Games. Here is what our Tennis stars had to say: "Everyone had a really good time, we had some bad matches and some good, we all persevered and faced our challenges. Luckily we made it through to the finals and won."

Well done to the children in year 5 and 6 who took part in the Athletics.

Our School Improvement partner Sarah Somers visited last week to look closely at our reading provision. We are really delighted with her feedback .

"The school fosters a love of reading. Reading for enjoyment is central to the school's improvement policy and strategies are in place to encourage active participation across all areas of learning. Teachers show enthusiasm for stories, poems and other books. Staff read to their class every day. Pupils spoke with enthusiasm about the 'Book Swap', books to read in the playground, and story time sessions at lunchtime in the library which are led by the school librarians. Year 5 pupils spoke confidently about their Reading Ambassador roles. Behaviour was a strength during the visit and pupils displayed positive attitudes for learning with clear expectations of behaviour. There is an emphasis on collaborative working in the school. This is successful because of the very positive relationships between pupils and adults. The support for each other's learning is effective. Pupils readily discuss ideas and work effectively in groups. The school ethos is positive and calm, having a family feel where everyone is valued. Staff are good role models and there is a happy and purposeful atmosphere in and out of lessons".

CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.

To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.
