## September Guidance

General guidance for parents about the September opening of schools can be found here. <https://www.gov.uk/government/publications/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-during-the-coronavirus-covid-19-outbreak/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-in-the-autumn-term>.

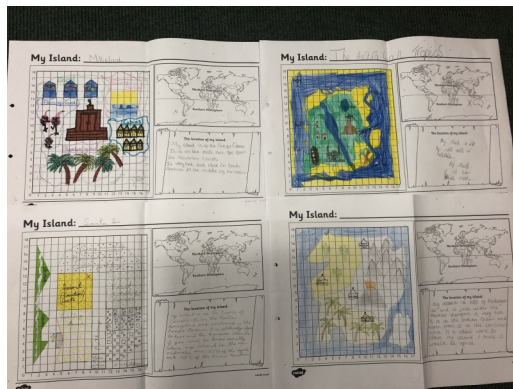

## Face to Face

It was so lovely to see so many of you at the Face to Face sessions this week. You had all grown so tall!! We hope that you enjoyed seeing some of your friends and had fun spending time in school.

Lucas made Teme class a tutorial on how to make spaghetti carbonara and Eden made one for her famous brownies! Well done both, brilliant work.

Yr 6 Sky Ace Bubble have drawn rainbows and written who inspires them, what they are worried by and their hopes for the future in the different sections following Miss Finney's Assembly this morning.

Yr 6 Cookie Juice bubble created their own Islands.

This week to...

Charlotte, Freddie A, Freddie B, Joshua & Millie

Reception and Year 1 had a fantastic morning full of Sports day activities!

## School PE Kit Sale

We still have the following items for sale:

### Skort—£6.50

## Clubsport

Clubsport are now offering a new uniform appointment service free of charge where you can book a 30-minute private appointment. With this new service, they are extending their trading hours for new uniform appointments and the timetable of availability can be viewed below.

Please use the following link to book an appointment:

<https://www.clubsport.co.uk/shoplocal/school-wear-appointments>

You are able to visit the store without an appointment to purchase PE Kit but there may be some queuing time as only two households are allowed in the shop at one time.

## Temporary traffic lights

There will be temporary traffic lights in action outside our school from 13th-24th July to allow essential work to the new car park to take place. Owen Pell are hoping to organise the lights around the timings of the school day. They will also need to carry out work to the section of the public footpath that we are currently using as our secure access. Owen Pell are going to assist us in creating a safe walk way along the school wall.

## End of Year Reports

We are required each year to complete an end of year progress and attainment report for all children. We have completed these and they will be sent out to you before the end of term. Please be mindful that as the learning for all pupils has been interrupted this year the report will look very different.

The attainment grade given will be mainly based upon teacher assessment from the Spring term. Ordinarily we would expect a child to be secure in the curriculum at the end of the year but you may find that your child may now be recorded as below, please do not worry about this. If the teacher has stated expected this means that when school closed in March your child was where they were expected to be.

At the moment we are unable to offer face to face parent meetings but if you are at all concerned after receiving the report please do get in touch.

## Prayer Corner

This week we have shared this rainbow prayer, using some of the colours of the rainbow.

You might like to try it at home.

**Red at the top of the rainbow: sometimes our worries can feel like they are getting on top of us. Write your worries down on the red arch and ask God to take them away.**

**Yellow: some people stand out to us like rays of sunshine. Think about someone who stands out to you and write their names on the yellow arch and ask God to keep them safe.**

**Green in the centre of the rainbow: think of the people who are in the centre of our lives like our family and friends. Give thanks to God for them.**

Can you think of ways to pray with the other colours?
