

The Mordiford Mail

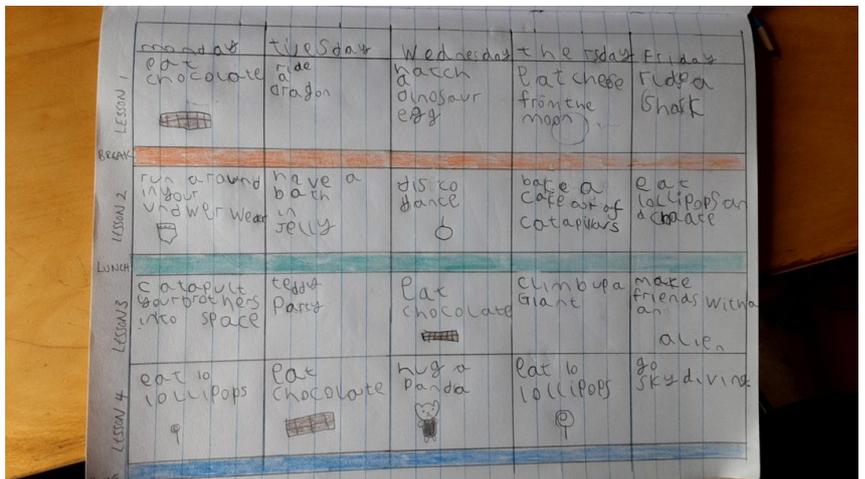

We are really excited to be welcoming nearly 40 children to school next week for our face to face sessions, we cant wait to see you. Just as exciting was the news yesterday that we can open school in September to every year group. We will be able to welcome the new Reception children to Lugg Class, finally see our new Y3, Y4, Y5 and Y6 after a long break and send our current Y6 off to high school knowing that as they enter Y7 they will be able to attend their new schools. We remain very proud of all of you and everything that you have achieved during lockdown, but we are looking forward to having the school full of your smiling faces again ready for a new academic year. General guidance for parents about the September opening of schools can be found here. <https://www.gov.uk/government/publications/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-during-the-coronavirus-covid-19-outbreak/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-in-the-autumn-term>. We are currently working hard to give you as much information as we can about our own arrangements for September before the summer break, please be patient as I am sure you will appreciate their remains a great deal to organise. Have a peaceful weekend. Best wishes, Miss Finney.

Some lovely writing by Alex in Wye Class this week...

Eva from Arrow Class has made up her own timetable based on our class novel 'Billionaire Boy'. Mrs Oakley loved the ideas but wasn't sure how many teeth we would have left!

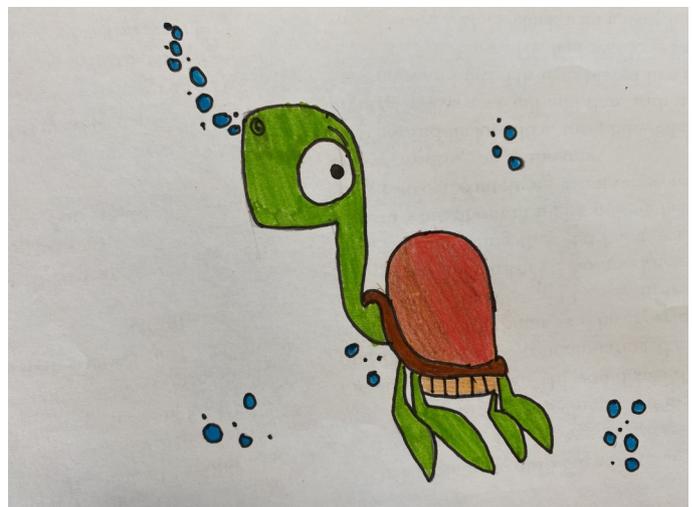

Mr Foster's bubble have been busy doing lots of art work this week.

Here are some examples of the wonderful art produced...

By Allana

By Harry B

This week the children in Year 6 have taken part in daily challenges to test their ability at a range of sports. The events have been organised as part of the Herefordshire Virtual School Games and have included tennis, basketball, rugby, athletics and cricket. The children have participated brilliantly, taking on a range of challenges and pushing themselves to always achieve their best.

5 ways to get active 🏆

There are so many benefits to exercise. The top three are you feel happy, it relieve stress and you feel healthier

WOW!

1. Try to do 5 or 10 pushups every day 🏃 get active.
2. If you can try to do 1 minute of plank a day
3. Do some squats try to make your self a goal like 10 or 15
4. Try out a run or a walk with your family (stay safe)
5. Finally try to make an exercise circuit put on your favourite song and try your circuit. 😊👍 **BOOM**

Cool

Daisy in Teme Class made this fantastic poster on 5 ways to get active. Well done Daisy, great work.

The Hive have been making bags. Look at this beautiful bag!

Thank you for helping us to maintain a safe environment at school.

These are ways that you can help us

- It is very important that you let us know if your child is not coming to school. We will call home if a child we are expecting does not arrive by close of registration at 9.30am.
- Please remember sun cream, hats and water bottles in the hot weather.

Prayer Corner

This week we had a whole school collective worship via Teams. We discussed teamwork and how we have all been working as a team, just more remotely and in different ways. We shared the Lord's Prayer to bring us together.
