Dear Parents and Carers,

I would like to thank you for your ongoing support during the pandemic and playing your important part in helping to keep everyone safe.

The Local Authority are asking all schools to remain cautious in the final few weeks of school and for that reason, very sadly, we will not be in a position to hold many of the traditional summer term events and services in the usual fashion. For example, it will not be possible to invite you to share Sports Day with us, for us to hold a play with an audience or hold a summer fete. Where at all possible we will plan and hold as many opportunities for the children as safely as we can.

We have sent you a copy of a letter from Herefordshire's Director of Public Health for your information.

We are trying to strike a tricky balance by not relaxing school procedures too much but having some flexibility to make small adjustments so that the children's mental well-being has as much importance as their physical well-being. We have noticed that the children are beginning to need, after a long year of being in their class bubbles, a little more interaction. For that reason, we have started to have more whole school assemblies on the school playground and are planning that Sports Day will be a (very carefully managed) whole school event. From next week, and only for outside playtimes, Y5 and Y6 will play together. If this is successful we will use the same approach for the remaining year groups in the near future.

Any questions please do get in touch.

Thank you for your support and understanding I hope that you have a lovely weekend and can make the most of the glorious summer weather.

Kind regards,

Kerri Finney
