

# The Mordiford Mail

## Our Value this month is passion.

Isaac from Pentaloe has a passion and talent for art we thought we would share it with you so that it might inspire you to have a go too!

**This week's Writing Showcase features writers from Frome and Pentaloe Class. Each week the published writers will receive a pen and at the end of term we will award prizes for the best published pieces.**

## Poppy G (Y6) has written about Pentaloe's PGL Adventure!

On the first day I was nervous to leave my mum but I was sizzling with excitement to get on the bus. I arrived at school at 8.30am; then hugged and kissed my mum goodbye (which made me a bit upset but my friends soon cheered me up). Once everyone was at school we walked into our classroom and did some work (I couldn't concentrate though because I was so excited). After what felt like hours we finally had our first break. We had a long break so lunch time soon came around. After lunch, we went to collect our luggage and give it to the bus driver to put under the bus. I didn't feel that nervous when we jumped on the bus because I had my best friends Evie and Bel to keep me company. The journey actually went by really quickly because Evie, Bel and I just talked and Mr Fair and Mrs Cooper showed me how to use my disposable camera. The boys started chanting PGL until we ran excitedly off the bus to see the amazing sights and smells of Liddington PGL. First of all we grabbed our luggage out from underneath the bus; next Mr Fair took a picture of us all on the grass so that our parents knew we were okay and were excited to start our amazing adventure.

We have been thinking about Fathers, Grandfathers and special people in our lives. These are some of the things that Arrow Class wrote about their dads.

He is...

As clever, wise and handsome as an owl

As strong and mighty as the hulk

As silly as a monkey

As strong as a big hairy monkey!

Have a great weekend. Happy Fathers Day to all our dads.

Best wishes, Miss Finney

## Eden (Y5) has written an explanation on how machines might work!

I thought I knew how bubbles got into fizzy drinks... When you are tucked up in your bed cosy and warm the toads and frogs are hard at work. They are sat in your kitchen and they get out your fizzy drinks. They have a quick sip (that's why they have part of the bottle missing) then they take a straw out of your draw and puff up their chests and blow! The sound of this is the sound you think is your dad snoring but it is actually them. When your alarm clock sounds they stop their job and go into the garden. So if you have a drink of fizzy pop in the morning, you will have a load of toads and frogs in your garden to thank for the bubbles.

## Stars of the Week

### Headteacher's Award

Isaac it was such a pleasure to see your brilliant art work this week. What a talented boy you are!! Your passion really shone through your work and I'm sure that your enthusiasm for drawing will inspire your friends and those around you.

### Little Cup of Kindness

Thank you Connie and Alex for being so kind, friendly and welcoming to the family who were having a school tour. You made them feel right at home, well done!

### (Reception) Georgia

For gaining much more independence in everything you do. You are trying lots of activities on your own and not giving up if things are hard. You are also showing great progress with your reading and have even gone up a stage. Well done!

### (Year 1) Lottie

You could be star of the week every week. You work hard, show kindness, put 100% into everything you do. It has been lovely to see the additional activities you have been doing at home. Keep pushing yourself and you will achieve your full potential.

### (Year 2) Lake

You have impressed us this week with a focused approach to your learning and making better choices in and out of the classroom. You have been kind and helpful to others and have been a pleasure to work with this week. Keep up the good work.

### (Year 3) Leo

Thank you for being an enthusiastic member of Wye Class. It's wonderful to see you trying your very best every day. You have impressed not only myself but also Mrs Chattington and Mrs Griffith over the past week. Well done!

### (Year 4) James S

You have been diligently practising writing with a joined cursive style and all your hard work has created the most beautiful handwriting in your books. Your reading this week was amazing too – such enjoyment to listen to you read so fluently and expressively. Well done!

### (Year 5) Freya

You can always be relied upon to produce great work and to give 100% effort to every task. This term you have also been brilliantly vocal and it has been fantastic to see you sharing your ideas and answers in class discussions.

### (Year 6)

George, you have been an all round superstar over the last few weeks. It has been lovely to watch you putting great effort into your work and you have made super progress as a result. Thank you for being great company at PGL too!

**Well done to all of our stars!**

### **Head Lice**

We have had reports of head lice from Parents. We recommend that you check your child's hair on a regular basis, that you treat any evidence of head lice promptly, that you use fine detection combs and that long hair is kept tied back.

### **Prayer Corner**

This week the children were encouraged to offer into our prayer things that they would like to pray for, these are some of the things that we prayed for together...

- Kindness
- Being kind to others over the weekend
- Being thankful for the fact that we can now see people that we haven't been able to see for a while
- Spending time with our families
