

The Mordiford Mail

It has been a wonderful week at school where we have really been able to make the most of our beautiful setting. Walking by the river, picnics on the field, a multi skills event, Forest School, spending time in our new teaching groups and even a trip to Barry Island. It has felt much more like a typically busy week at Mordiford...just how we like it to be !

I hope that you all have a fantastic weekend in this glorious sunny weather and look forward to seeing you all on Monday for our last few days together before the summer break.

Best wishes,

Miss Finney

Message from Mrs Warmington...

Dear staff and children at Mordiford
Thank you so much for the warm and friendly welcome you gave me yesterday , it was lovely to meet you all. It is clear that the school has created a caring community where people treat each other with respect and kindness, Mordiford Primary is a happy place and I'm looking forward to joining the team.
Thank you to Grace, Erin and Lucas for the excellent and informative tour, I enjoyed listening to your stories and finding out what it is about the school that is important to you.
Enjoy the last 3 days of school, I hope the year 6s get their film done and have a special send off - good luck!
Enjoy the summer, get plenty of relaxation, have fun, remember to take the opportunity to read some great books !

All the best see you in September, thank you again!

Mrs Warmington

Headteacher's Award

What can I say...for my last ever Celebration Worship at this special school I could not possibly single out one child above another for praise. I think that you are all fantastic and as our motto says you are all treasured. I have certainly treasured my time with each individual during my seven years as your Head teacher and count myself very lucky ...so thank you x

Prayer Corner

Dear Lord ,

We ask you to hold our school in your hands as we near the end of term.

We reflect on the moments of which we are most proud and that we would like to build upon next year.

We also focus on the things that we wish we had done differently and hope to learn from these experiences.

Amen
