

# The Mordiford Mail

Thinking of Christmas this week, it was lovely to hear what our children are most excited about : family, friends and food featured top of the list as children talked about how excited they would be to see cousins over the festive season and how they love Christmas dinner!

We read the story '[Crispin the pig who had it all](#)' a pig who learns what is important to him. The story opened up a discussion about if you have too many things (like Crispin) they are no longer special and you can sometimes forget to look after them. The story goes hand in hand with a discussion we are having about keeping belongings tidy and taking care of things in our school. The children even thought of lots of ideas of how to recycle old toys so they don't go to landfill. If you wish to share the story click on the link!

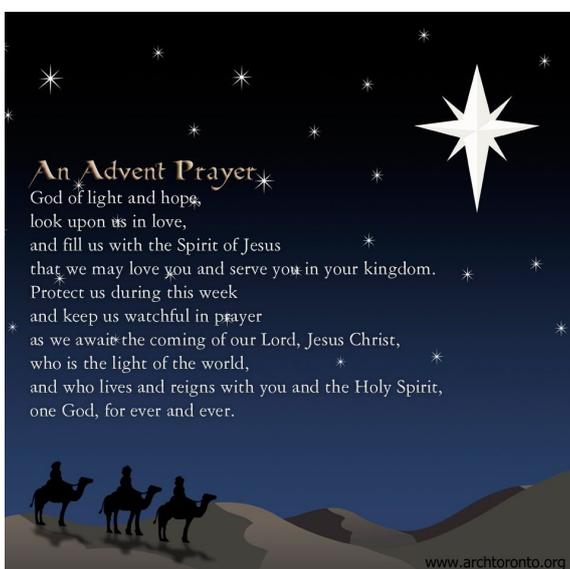

## Playtime Fun

Who would have thought a pile of leaves could give rise to such fun and imaginative playtimes? We've had 'the biggest leaf pile' competition, built a nest, 'leaf hide and seek' and 'let's just go to sleep in the leaves'.

Apologies for rather dusty clothes!

## Prayer Corner

## Eco Committee

The eco-committee have been busy bees this week planting rowan, hazel, crab-apple and elder tree saplings in our grounds that were kindly donated by the Hereford Rugby Football club in celebration of their 150th Anniversary.

Thank you to all including Mr Watson for helping and encouraging secure healthy planting.

## Clay and Paint Club

There was great concentration to be seen at Clay and Paint club on Thursday; making, painting and decorating.
