

Year 5 Art Exhibition—Frozen in Time

Well done to year 5 who held their own art exhibition to showcase some of their fantastic artwork they have been working hard on over the past couple of weeks.

Year 5 have been learning about the sculptures created by Anthony Gormley who specialises in sculptures of people.

They have compared this work to the work of a lesser known Slovak Sculpture artist Svetozar Ilavsky who exhibits at Danubiana Modern Art Gallery in Bratislava.

Inspired by what they have seen, the children have created their own sculptures from wire, masking tape, wool and clay.

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The Lost Sheep

We were all thoroughly entertained by the confidently led Teme class assembly on Thursday.

It was based on the parable of “the lost sheep” and portrayed how special each of us are in God’s eyes and how he looks after us. Thank you Teme Class.

Big Garden Bird Watch

Big Garden Birdwatch is for everyone, whether you're a complete beginner or a birding expert. Simply count the birds you see in your garden, from your balcony or in your local park for one hour between 28 and 30 January 2022.

Stars of the Week

(Reception) Charlie

Charlie you are our star this week. You have settled really well back into school and are trying to be really sensible and grown up on the carpet. You are working really hard to become more independent and have shown a great learning attitude this week. Well done, keep it up!

(Year 1) Lyla

You have been a super star this week. You have been trying so hard with your Numeracy and Phonics. You have grown in confidence and it's great to hear more of your ideas. We look forward to seeing you grow further throughout year 1.

(Year 2) Cerys

For making a huge effort in maths this week. You have listened carefully and as a result have understood, produced some good pieces of work and have made good progress this week. Keep this going Cerys.

(Year 3) Alfie

For making a huge effort with your written work this week. Thank you for taking such care over your spellings and presentation. The results have been great to see. Well done and please keep this up!

(Year 4) Teme Class

Thank you for delivering an excellent first Teme Class assembly. You were absolutely brilliant! We were very proud of how confidently you spoke and presented the meaning of 'The Lost Sheep' parable. Well done!

(Year 5) Elisabeth

I am really pleased with how you have started this new year. Your work ethic has really impressed us and as a result, you have been producing some lovely pieces of work which you have obviously been proud of. Well done!

(Year 6) Sid

You are showing much greater focus in the classroom and a mature attitude towards your work. Thank you also for the hard work you are doing at home – it is paying off!

Well done to all of our stars!

Prayer Corner

Dear Lord

Help us to take time to notice the things that we can only see when we slow down.

In looking carefully comes understanding and appreciation.

Remind us to look to the beauty of wildlife in our gardens :

To listen for the cheeky chatter of blue tits

To watch the friendly robins and

To tune in to the cooing call of the woodpigeon

Thank you for the beauty of our world,
teach us to treasure and look after our wildlife
Amen
