

Dustbin Doris

On Thursday we were treated to a creative show from a travelling theatre group 'Rhubarb Theatre'. The show 'Dustbin Doris' was a play with an environmental theme, with a homeless lady who cared for the wildlife and recycled waste into all manner of things. The visually inventive story captivated the children who enjoyed the puppets, songs and humour. When Doris was reunited with her daughter the hall went quiet, you could sense the emotion of the moment.

The play was a powerful stimulus for conversations about important issues but also an imaginative spectacle of creativity to think about. The children really enjoyed it!
