

Eco Committee

The Eco-committee have enjoyed putting their bird feeders around the school grounds. We are hoping to encourage many new species of birds to our school, supporting the RSPB 'big garden' birdwatch.

School Books

We appear to have lots of library books and books that belong to teachers missing. Please could you check your bookshelves at home and if you have any books that belong to the school please return them to the school office.

Thank you.

Safer Internet Day

Tuesday 8th February was 'Safer Internet Day', our KS2 children learned about the importance of staying safe on line, enjoying playing games whilst always showing respect to other users.

Lugg Class Assembly

Lugg class made us all very proud with their first class assembly yesterday. They retold the story of 'The Good Samaritan' through Talk 4 Writing actions and storytelling language. It was great to see so many parents, and a special thank you for the lovely refreshments too - the children also got to enjoy the cookies!!

The stars at Night

A few weeks ago we were counting birds in our gardens. The Campaign to Protect Rural England (cpre.org.uk) is running a star count challenge so they can map the best places to go star gazing whilst also keeping track of light pollution. Click on the [link](#) to find out more about the star count and for some 'starry' activities.

PTFA Valentines Donut Sale

The PTFA are holding a donut sale on Monday. If you have not already ordered, there are still a few doughnuts available to order via the [link](#) and any left will be available to buy on the day.

Stars of the Week

(Reception) Arthur

Arthur has been working super hard on his language and listening skills. He's been much more focussed on the carpet and is giving great ideas in class discussions. Well done Arthur we can see the progress you are making. Keep up the good work!!

(Year 1) Ezra

Amazing maths work, you have been much more focussed and this is impacting on your progress. You have worked hard across all areas of the curriculum. We have also really notice your caring attitude towards your peers. A big thank you from Mrs Oakley and Miss Harris.

(Year 2) David

David has been working extremely hard with his work this week. Not only has he shown brilliant progress with division in maths but has also been a good role model. He has helped guide his friends into making better choices.

(Year 3) Bryn

For fantastic work in Computing this work. Thank you for sharing your skills and knowledge with your friends.

(Year 4) Evie

You consistently put 100% effort and engagement into your learning every day. You have taken such an interest in our Ancient Greece topic, showing enthusiastic learning in all we do, you are a joy to have as a pupil in the classroom.

(Year 5) Chayse

All week, I have been impressed with the good choices you have been making in class. It has been obvious how hard you have worked and as a consequence, have produced some excellent pieces of work. Well done!

(Year 6) Grace

Grace has been a great help to me by helping others. She is a mature and sensible year 6, an excellent role model and is developing fantastic leadership skills. Thank you for all the amazing things you do, Grace!

Well done to all of our stars!

Messages and Reminders

- If your child arrives after the gate has closed please direct them to come into school via the **front office** to ensure they are registered.
- Please be aware that smart watches are not allowed in school as they do not comply with our e-safety policy.
- Please do not park in the staff car park when dropping off or picking up your children at breakfast club and twilight club. Thank you for your co-operation.

Prayer Corner

A Prayer
of Hope 

Dear God,
When I stand at the beginning
of a new day,
bless me with *vision* to see
the best of things to come...
Wisdom to make good decisions...
and most of all, *faith*
that you are walking with me
every step of the way.
Amen.
