

Teme Class Cornet Concert

Teme Class held a cornet concert this week to celebrate and show off their huge achievement and talent in learning how to play the instrument. We were not disappointed! Parents, Year 1 and 3 pupils, alongside staff were thoroughly entertained and amazed at how professionally they played four different tempo pieces.

The concert also included singing and choreographing the song Mamma Mia too, which many parents joined in with! It was a sad occasion though; Pete Grove from the Hereford Music Services, who has worked with the school for many years and inspired so many young musicians, held his last school concert with the pupils on Thursday. We wish Pete a happy and relaxing retirement.

The children in Year 4 are very lucky to be part of the Wider Opportunities programme which entails learning to read music and how to play the cornet and this is completely funded with money raised by the PTFA each year. We were very impressed by all the children in Teme class with how well they played during their five months of learning. 'Cornet Pete' will be replaced by his colleague 'Cornet Sue' after half term and we are looking forward to progressing even further.

Monnow Class Trip

Year 1 took a trip into Hereford on Wednesday. They travelled into town on the service bus and first stopped off at the city library where they enjoyed a couple of stories. The children were lucky enough to enjoy a McDonalds for their lunch.

Final stop was the Cathedral where the children enjoyed a self guided tour by Mrs Oakley. They were amazed by the stained glass windows. They looked at the Corona above the Nave Alter and talked about the significance of both, and similarities in Holy Rood church. The children were extremely well behaved, well mannered and were credit to our school.

Governor Feature

My name is Christina Harris and I am Chair of Governors at Mordiford school. Since COVID restrictions have been eased I am now able to visit the school on a more regular basis meeting with the head teacher and staff. The Governing Body along with the head teacher sets a clear vision, ethos and strategic direction for the school.

My role as chair is to support the head teacher and to promote and maintain high standards of education. I have visited the school on a number of occasions recently and have seen for myself how happy the children are now that things are starting to get back to normal.
