

Macbeth

Year 6 went to The Courtyard on Thursday to see The Cathedral School's performance of Shakespeare's Macbeth. The children and staff had a wonderful time and found the performance very engaging. Well done to our year 6 pupils for behaving so well throughout the performance, you were a credit to our school.

Maths in Teme Class

Year 4 have been learning how to find division with remainders. They were using chocolate buttons to

make groups and finding the remainders. Obviously the resources disappeared after the activity!

Science in Pentaloe Class

Year 6 had fun learning about the lungs this week with Mrs Wilcox. They were able to see how the lung inflates. It was a real hands on learning experience!

Mental Health Workshops at the Courtyard

Year 2 and Year 6 have been at the Courtyard this morning for some mental health workshops.

They learnt about fun and active ways to look after their own mental health. Thank you to Becky and everyone at The Courtyard.
