

## Monnow Class Assembly

Monnow Class delivered a super assembly on Thursday about appreciation. They told a story about a little boy who didn't understand why his mum never paid him for doing anything for her. When she reminded him about all the things she does for him and charges nothing he realised how much he really appreciates her. Well done Monnow Class!

## Sea Life Centre

Arrow and Monnow went out on an exciting adventure on Wednesday to the Sea Life Centre in Birmingham. We travelled by train which was really exciting for the children especially as some of them had never travelled by train before. The children behaved impeccably all day and a member of the general public remarked on their good behaviour. They thoroughly enjoyed seeing all the animals and asked the guides lots of interesting questions.

## Oaker Wood

A big thank you to Stride Active for organising an outdoor activity event on Tuesday. Some of our KS2 children had a fantastic day out at Oaker Woods. It was brilliant watching their teamwork and problem solving skills develop throughout the day.

## Stars of the Week

Eliza for sharing her creative ideas with her friends and supporting them as they make their creations. Eliza is always enthusiastic about her learning, and she has even begun writing sentences in her writing. Well done, Eliza!

You are such an outstanding pupil and role model to us all. You listen well to teaching input, always try your best in your work and this hard work is being reflected in the progress you are making. You should be very proud of yourself!

### (Year 5) Cerys

For showing us that no matter how many times you fall, you should always get up and try again. Thank you for having such resilience and perseverance.

### (Year 6) Marley

You have so many amazing skills and you are using them all to the max! We are loving your attitude to learning in class and you are doing a wonderful job as Young Leader. Great work!

**Well done to all of our stars!**

### Prayer Corner

Dear God,

We thank You for our school family and our wider community.

Thank You for all that You have given us to explore and be curious about in our lessons and in our leisure time outside of the curriculum.

Inspire us as we journey through the last half term, as we seek to put our learning into action.

Amen
