

## PGL

Our Y6 children had a fantastic 5 day residential trip at PGL. They rose to the challenge of being away from home and participated in all the activities with courage and enthusiasm. It was lovely to see them supporting each other throughout. The residential trip gave our children a wonderful chance to show our “**secrets of success**” outside of the classroom. These are the skills that underpin all our learning activities and help our children develop a **growth mindset**.

### Free Easter activities for Herefordshire children

Thousands of school aged children and young people (aged from reception to year 11) in Herefordshire who are receiving benefit-related free school meals are invited to sign up to enjoy free activities during the Easter break.

Talk Community, who run the Here for Herefordshire Holidays programme, are working in partnership with local providers and holiday clubs to deliver a range of exciting indoor and outdoor activities through the Easter holidays. There will also be a free healthy meal on offer at each session.

The holiday clubs help young people get involved with new and exciting activities from sport to music, dance, drama, art, and crafts, while improving socialisation and helping young people to have fun during the holidays.

There's also a family activity taster day, open to all families who are feeling the pinch and may benefit from a day of fun and food. It's all completely free! The session takes place on Saturday 1 April from 10am to 2pm at Whitecross High School, Hereford.

Book now through the booking system, available on the [Talk Community website](#).

### Prayer Corner

Lord

Help me take responsibility for my belongings.

Help me learn to do things for myself.

Remind me to think of other people and how my actions affect them.

Guide me so I can be a thoughtful responsible pupil at Mordiford Primary School.

Amen
