If you know of any past pupils, please ask them to send in their memories of Mordiford Primary School to be part of this display. **Ising pop Concerts**

In July we welcome iSingPOP to Mordiford C E Primary School, Herefordshire where the children will be involved in a singing and performing project.

iSingPOP is a singing, performing and resourcing project that helps children and families engage in Collective Worship in school, church and at home. They will be learning and performing a number of special songs with actions, which support our school values as well as the children’s learning in a range of subjects including Music, RE and Citizenship.
